

Hello Boys and Girls,

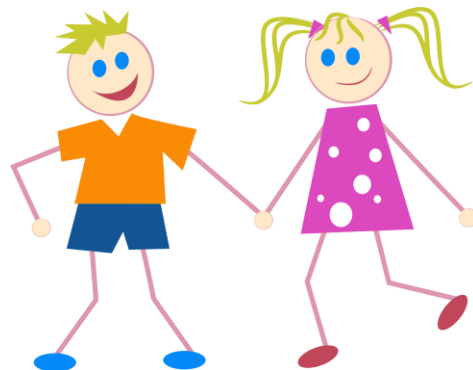

I just found out that you are going to be in my classroom this year! School will be starting soon and I hope you are as excited about our year together as I am. I have lots of fun things planned for you. When you arrive at school on September 5th, I will be waiting in the classroom for you. If you would like to visit and check out the room before school starts please plan on attending Open House on Tuesday, August 29th 5:00-7:00. If you have your supplies ready (I have the supplies you need listed on the next page.) feel free to bring them with you that evening.

I'm looking forward to having another great year in Young Five's. We will all get to know each other as we start a busy year of learning new songs and games, learning letter names and sounds, words, numbers, and doing activities on the computer. We will get ready to read and write by listening to, telling, and writing stories. We will go to physical education, music class, computer class, art class, and library. We will have lots of fun playing inside and outside.

Enjoy the rest of your summer and I will see you on Tuesday, September 5!

Parents (and Grandparents),

If you are interested in volunteering in our classroom this year on a regular basis (8:30-10:30 -once a week or every other week) I encourage you to sign up at Back to School Night. Volunteers help in numerous ways such as working directly with small groups of children in the classroom, and helping to cut, copy, and assemble materials for future lessons.

Sincerely, Mrs. Sproles
